Membership Responsibilities and Requirements

- Bryn Mawr EMS personnel are volunteer members at the college and Narberth Ambulance.
- The BMCEMS program will only be serving the campus on Friday and Saturday nights. As the program gains more members and command EMTs, the coverage will spread to more nights of the week.
- The program anticipates that members will spend around 24-30 hours a month on duty or participating in training.
- In addition, BMCEMS personnel are required to run a minimum of 12 hours a month at Narberth Ambulance.
- Uniform shirts and jackets will be provided by BMCEMS. Tactical pants, boots, and belt are the member's responsibility to purchase. Under extenuating circumstances, BMCEMS may be able to assist members in obtaining the proper gear.
- BMCEMS has a zero-tolerance policy on Honor Code violations.
- BMCEMS has a zero-tolerance policy on breach of confidentiality and privileged patient information.
- Training is expected to take BMCEMS personnel 6-10 months to reach Command at the college. Training at Narberth Ambulance is expected to take 10-12 months to reach Narberth's Command.
- Continuing Education is required by the state of Pennsylvania and the National Registry. Many continuing education opportunities will be provided free of charge by BMCEMS and Narberth Ambulance.
- BMCEMS will provide extensive training to members to be empathetic and considerate to patients of all backgrounds and experiences. We strive to be accommodating, mindful providers and advocated for our patients' best interests.
- Mandatory attendance, when stated, is taken very seriously. BMCEMS expects our personnel to regard this commitment as a high priority.

With all this being said, the program is in its first year and the membership requirements will be constantly changing. Since the program is only on the weekends at the moment, the time commitment will mostly consist of training, either on campus or at Narberth.
